Filter

Filter Examples

Attribute-value filter with a Dropdown Select

A screenshot of a user interface showing a dropdown menu for filtering by status. The menu is open, displaying five options: Running, Stopped, Down, Degraded, and Needs Maintenance. The 'Down' option is highlighted with a light gray background. At the top of the dropdown, there is a header with the text 'Status' and a small downward arrow icon.

Attribute-value Filter with Multi Select Collapsed

A screenshot of a user interface showing a collapsed multi-select filter for 'Status'. The filter dropdown shows two selected items: 'Stopped' (count 7) and 'Down' (count 5). Below the dropdown, there is a 'Clear All Filters' button.

Attribute-value Filter with Multi Select Expanded

A screenshot of a user interface showing an expanded multi-select filter for 'Status'. The filter dropdown shows four selected items: 'Stopped', 'Down', 'Degraded', and 'Needs Maintenance'. Below the dropdown, there is a 'Clear All Filters' button.

Attribute-value Filter with a Date and Time Range Picker

A screenshot of a user interface showing a date and time range picker for filtering. The range is set from '01/16/19 2:00pm' to '01/19/19 5:00pm'. Below the picker, there is a 'Clear All Filters' button.

Attribute-value Filter with a Date Range Picker

A screenshot of a user interface showing a date range picker for filtering. The range is set from '01/16/19' to '01/19/19'. Below the picker, there is a 'Clear All Filters' button.

Faceted Checkbox Filter Expanded

A screenshot of a user interface showing a faceted checkbox filter expanded. It includes sections for 'Status' (selected: Stopped, Down), 'Vendor' (selected: Samsung, Hewlett-Packard), and other filters like 'Dell'. The filter dropdown shows four selected items: 'Stopped' (count 7), 'Down' (count 5), 'Samsung' (count 1), and 'Hewlett-Packard' (count 2). Below the dropdown, there is a 'Clear All Filters' button.

Faceted Checkbox Filter Collapsed

A screenshot of a user interface showing a collapsed faceted checkbox filter. The filter dropdown shows four selected items: 'Stopped' (count 7), 'Down' (count 5), 'Samsung' (count 1), and 'Hewlett-Packard' (count 2). Below the dropdown, there is a 'Clear All Filters' button.

Mobile Filter Expanded

A screenshot of a mobile user interface showing an expanded filter section. It includes a dropdown for selecting a filter type, a text input for 'Name' with placeholder 'Filter by name...', and a search icon. At the bottom, there is a 'Clear All Filters' button.

Mobile Filters Added

A screenshot of a mobile user interface showing a filter section with two selected filters: 'Value One' and 'Value Two'. At the bottom, there is a 'Clear Filters' button.
